Resistance in Latin American Art

Chile and Bachelet

Latin American Perspectives fills a vital gap in our knowledge of this area, which is not currently covered by other journals."

- Helen I. Safa, University of Florida,
Past President, Latin American Studies Association

Latin American Perspectives is a theoretical and scholarly journal for discussion and debate on the political economy of capitalism, imperialism, and socialism in the Americas. Offering a vital multidisciplinary view of the powerful forces that shape the Americas, most issues focus on a single problem, nation, or region, providing an in-depth look from participants and scholars.
