Rebecca J. Atencio is an assistant professor of Brazilian literary and cultural studies at Tulane University. Founder of the blog *Transitional Justice in Brazil*, she lives in New Orleans, Louisiana.

“An extremely well-written, engaging, and interesting contribution to the scholarship on postdictatorial memory construction in Latin America. Atencio allows readers to see the multiple and layered ways in which postconflict societies construct and contest the meanings of the past.”

—Michael J. Lazzara,
author of *Chile in Transition*
