The Urban Informal Economy Revisited

Latin American Perspectives is a multidisciplinary journal that welcomes a variety of theoretical and political perspectives to analyze capitalism, imperialism, and socialism in the Americas and strategies to transform the region's sociopolitical structures. Most issues focus on a single problem, nation, or region, providing an in-depth analysis from scholars and participants in social change.

"Latin American Perspectives is the most important resource available providing in-depth progressive analyses of developments in Latin America. It is the unmissable journal!"

—Alfredo Saad Filho, SOAS, *University of London*
